pinkmoon events

Pink Moon Events is a full-service events company that creates unforgettable experiences alongside seamless event delivery, for all occasions.

Professional, flexible and always trustworthy. We are the events partner you can count on to show up and deliver, no matter what gets thrown at us.

Going back to our roots...

The Pink Moon brand was born in 2012 after we saw that the industry was crying out for a dependable events supplier.

Starting out at grassroots events, we quickly struck all the right chords and became renowned for our relentlessly high quality of service. Today, we have grown the Pink Moon brand into a leading player in the festivals and events space. We're proud to own the largest share of owned accommodation in the festival industry, leading us to become known as a household brand in some parts of the UK and Ireland.

Our team is stepping out of the shadows and answering the calls for help. We're expanding our expertise and now offer a fully managed events company that's ready to support you with your next big event.

Have a look through this brochure to find out more about our full-service offering and get in touch with our team today to talk about how we can help you pull out all the stops for your upcoming event.
